Spiritual Growth through Learning for all Age Groups

Children's Wednesday Nite Live! - We are "Digging Into the Bible In One Year!" on our whirlwind journey from Genesis to Revelation. Discover how you are like people God has always loved and worked through. Sing, dance, play games, do crafts and, most importantly, spend time learning about God's Word. This is for all Pre-K to 4th Graders.

Becoming Our Lord's Disciples

5th - 8th Grade Youth. - "Where did God come from?" "How come I'm not perfect?" "Why doesn't everyone go to Heaven?" Young people's toughest questions get the Bible's smartest answers. Using *Grapple* we work as a team, have fun, talk about what we've learned from the Bible, and spend time in prayer.

Women's Bible Study - The video series of Priscilla Shirer's *Gideon* is a 7-session study that tells a story about God and His people, His love for them and His strength operating in spite of, even through, their weakness.

L.I.F.T (Ladies In Fellowship Together) - This book study of *Encouraging One Another* guides conversation and spiritual growth using Scriptural passages to lift your spirit with God's encouraging words. Discover how God lifts you up and wants you to lift up others.

Men's Group – This is a faith-building small group. We seek Biblical passages leading us toward being better men, husbands, and fathers who honor the Lord through deep Bible study and prayerful conversation.

Pastor's Bible Study - This group dives into the "Acts of the Apostles" to learn principles and keys to the vital Christian life. We meet in Pastor's study. NOTE: The same Bible Study is offered Thursdays at 10 a.m..

The Daniel Plan - This healthy lifestyle program founded on Biblical principles focuses on: Faith, Food, Fitness, Focus and Friends. Achieve a healthy lifestyle where you feel better together by optimizing your health.
